1. chapter 1

Hey guys this is different from what I write but science I am on break I will try And write way more this is gonna be a series of one shots and lots of Mileven fluffier than Santa's beard and a thousand clouds !

Hopper was driving El to the Wheelers so that she could see Mike , it was the least he could do after holding her in the cabin for so long , Beside she threatend to throw out all his coffee and his coffee is expensive . He had made an exception because Max Mayfield was gonna be there and Nancy so he knew no funny business was gonna happen between them ,or so Hop thought .

" Alright kiddo were here " Hopper said stopping the car , " now what are the rules ?" Hop asked " no funny business don't be stupid , don't do anything I don't wanna do ,and no watching rated R movies with s-e-x scenes in them ." She said " good job now go on , I got work to do I'll be back around 9:30" Hopper said as El left the car to knock on the Wheelers door . "Oh ! Hey El , Mike El is here ! " Nancy screamed greeting El at the door El gave Nancy a smile as she heard Mikes voice , " Ok !" El heard Mike scream " tell her to come downstairs !" El heard Mike say faintly Nancy looked back and then turned to El , " Well ,you can head down !" Nancy said . El small smile and nod and headed down .

" Hey guys " El said shyly , El took a seat near Max and Mike " so , El we were just talking about what we are going to do today ! " Will aid to El to inform her on what they were doing " so I was thinking we could watch a movie " Lucas said " Horror ! " Max blurted " no ,no ,no ,hell no ! Comedy Mayfield " Dustin screamed last time they watched a horror Dustin almost creamed his pants . El stated looking at the movie shelf and used her powers to slowly bring one over towards her she read the title " Over The Love And Moon " she read the back as it said

" Jamie and Mario have to go to the moon and they fall in love but her father doesn't approve ,Jamie and Mario run away together and have to fight the Marshins that took away their friends ! " (**all fake I made this up on the spot**)" um guys what is this movie ?" El asked breaking up Max and Dustin's fight " oh that's my sisters its apparently a

Romanx and action movie or something " Mike said " Let's watch it , it sounds ok . " Will said the rest of the party agreed and do Mike plugged the movie I and they watched it .

" oh Jamie I don't know how we will see our friends " the character had said " this is actually sucks so bad " El said , all heads turned to her , they had never heard her curse or say something like 9 year olds aren't allowed to say " yeah this is bad let's watch something else or do something else . " Will said Turning off the tv " we should play truth or dare " Dustin said Mike knew exactly where he was going with this Mike started getting red and mouthing " no , no " to will " um ok I guess we could " Will said Will didn't really notice Mike's plea " mike are you okay ? " El asked putting her hand on his thigh mike hit even redder " y y y yeah I'm o ok " mike said stuttering . El put her hand that was originally on his thigh to his hand , she clutched his hand into her own as their hands intertwined .

" ok everybody at the table cmon " Dustin said as he grabbed his Coca Cola can to put in the middle . Dustin shakes it to make sure no soda was in it and placed it on the table " alright and it lands on ..."

El

" ok El truth or dare " Dustin asked " truth " el said " um where did you get all that makeup from when you first came home ? " El answered his Dustin's question by saying " I um got them from a store I took Hoppers wallet and bought them and saw a look like it on tv " she said " ok ok " Dustin said . " ok El your turn , El spun the bottle and it landed on .

Mike

" mike truth or dare ? " El asked " um Dare " he said " um I'm stuck can someone help me with his dare ? " El asked looking around " oh oh , mike I dare you to kiss El " Dustin said " Mike flushed " no no , the chief won't like it . " Mike said " the *chief* doesn't have to *know* " Dustin said " fine but just so you know I hate you " mike said pointing to Dustin He leaned in for a quick kiss as mike's lips pressed against El's , it was quick but it made very one say ooooh . Except Dustin " hold on hold on , that was a damn peck that was no kiss I demand you show me passion " Dustin said " no , ok you can't do that " mike

said refusing . But Dustin always found out a way to get what he wants and what he wanted was to see Ek and Mike kiss so he could prove himself right .

After a short game of truth or dare At 5:00 pm the party decided to make a fort .

Mike and El were walking by each other and mike was holding pillows El was holding blankets . Dustin got behind Mike and pushed Mike straight into El's lips as they fell to the ground they didn't let go until 10 seconds later " oh my god I'm so sorry *mike* " Dustin said making a fake worried face " Dustin !" Mike said, El got helped up by Max and Will while Lucas held Dustin so mike could attack him with a pillow that felt like bricks apparently . "El im so so so sorry about what happens I did not know Dustin was behind me and really I'm sorry if you were uncomfortable an-" mike was cut off by El cupping one side of his face with her hand in the fort and kissing him . " no need to apologize Mike " el said kissing his cheek and cuddling up with him putting a blanket around themselves .

Ok soooo I hope you enjoyed my Mileven garbage I try but yeah leave me a review and please recommend stuff for me to write !!

2. Sleepover

Hey guys it's Ari I'm back with another chapter of this Mileven garbage I love writing shout out to LabRatsEf LoverXoXo for my first review on this trash , anyway hope you enjoy Leggo !

Mike was excited because it was his first official sleepover with El , Honestly he didn't know how the hell she convinced Hopper , el said she has her ways , she learned it from Nancy . " ok kid first of all here are the rules first-" Hopper was cut off by El . She had left the car " oh god " Hopper said to himself " No funny business !" He said screaming, El obviously didn't hear , or care .

El knocked on the door to be greeted by Jonathan who was dropping off Will , " oh hey El I was just leaving ,have a good time " Jonathan said shaking El's hair while leaving ." El come with me !" Will said grabbing her hand downstairs he had been just dropped off . Her backpack rustled while running down the stairs , " guys were here !" Will said running down " hey guys !" Mike said greeting them " where are the others ?" Will asked " well they aren't here yet they should be here soon ." Mike said " well I need to go to the bathroom ." Will said placing his stuff down .

Leaving Mike and Eleven Alone

El sat next to Mike on the couch and kissed him on the cheek ." What -what was that for "Mike asked stuttering .El shrugged and smiled , she started playing with his hair slightly ,Mike blushed pink , Mike's eyes were wide open , El leaned in for a kiss but was interrupted by the sound of the basement door opening to show their friends . The two jumped apart and Mike got up to act like he was fixing the movies , " Hey guys , I found them in the hallways while I was leaving the bathroom !" Will said " ok what shall we do?" Dustin asked the party they all shrugged , " oh ! How about we listen to some clash " , Will said " nah , oh let's play never have I ever "!" Lucas said " we can't drink !" Mike said " fine ." Lucas said disappointed .El interrupted them all by throwing a pillow at them with her powers. " Pillow fight " El said grinning .

The party started hitting each other with pillows ,El hit Mike which

sent him down on the floor and she started laughing while crawling on top of him and smacking him with a pillow , " time out time out " Dustin screamed trying not to laugh . El stopped hitting Mike and layed down next to him on the floor laughing , " ok haha ok , we should do something's else " Will said " oh let's do something else !" . " oh let's play would you rather with a twist !" Max said " what is the twist ?" Lucas asked " the twist is , whatever you pick you have to do it !" Max said " oh yeah cmon guys let's go cmon all around the table" Dustin said.

" ok so Dustin you go first " Max said

" ok um Mike , Would you Rather ? Kiss a pillow or kiss *someone* in this room ?" Dustin asked " um .." Mike couldn't answer , he knew what Dustin was up to , he wanted to embarrass Mike cause of Mike kissed El Dustin would make a huge deal about it but if he kissed a damn pillow ! His life would be over . " fine I'll kiss El but you never said it had to be in front of you ." Mike said " no Mike stay damn it !" Dustin yelled , Mike had outsmarted him .

Mike didn't know where else to kiss El he didn't have a closet for them to kiss in ,or a private room so , he kissed her in his bedroom " you know we don't have to do this you know , we could just tell them we kisse-" Mike was cutt off by El grabbing his hair and landing a kiss on his lips . She ran her fingers through his hair and pulled away and put her forehead on his and grabbed his hand and pulled him up by her hand and walked out the door . " Ok we kissed " El said " really. ?" Dustin said sounding like he didn't believe it , " yes really " El confirmed " I need proof I won't let you go until you show me proof " no no n-" Mike was cut off again by El grabbing his shirt towards her and landing a kiss on his lips " that good enough proof for ya ?" El said looking mad " oh and if next time Mike says no .We leave it at NO " El aid lifting up her hand and pinning her hand towards Dustin as she knocked the water bottle he had all over him . " see this is why you don't get in a fight with a *telekinetic girl* " Will whispred to Dustin

After a long night of playing games , and pillow fights , kisses all the kids all got in there sleeping bags ,El put her sleeping bag next to Mike's and kissed him one last time before going to bed Mike kissed back and they put their heads together and smiled before intertwineing their fingers and heading to bed in each other's

embrace it was the best sleepover Mike had ever had , and for El's first sleepover not counting the times she was hiding from the government , she absolutely . Loved it .

" so what are you guys going to get El ? I'm going to make her a drawing of herself. " Will asked the party .

" I'm getting her a box I found at the market of 78 Eggo's !" Dustin said sounding proud of him self as the party rided their bikes to school .

" I'm getting her a copy of the goonies, Remember we watched it at Will's house !" Lucas said " she said she liked it !" Lucas said

" what are you getting her Mike ?" Will asked .

Mike didn't know what to get her , he was stuck she hardly had a lot of things she liked , she liked eggos . No Dustin was already getting her that , ugh he was stuck

The party was going to school but Mike had seen a shop for necklaces

" Come get a necklace for friends ,family or yourself! . New we add any quote you like and charm ! " is what Mike read passing by the sign

" guys I'm skipping " Mike screamed to the party

Mike walked into the jewellery store to be greeted by a nice old woman working on the wedding rings ,

" oh ! Hi " the sweet woman said

Mike gave a small smile to the lady as she walked over , " hey there darling what are you doing here ?" The lady asked kindly " um

getting a gift for my friend Jane " Mike answered

" Well you sure she's just your friend ?" The lady asked with a smile " I'm joking !" She said " but you are a very good ' Friend ' for doing this for her " the lady said putting up quotation marks when saying friend

" what would you like ?" The lady asked " oh! And my name is Laura if you need anything " Laura said with a smile " um ,Laura I'm going to need a necklace , do you have one with a heart shaped bark I need to put a quote on it." Mike asked the lady

El's Birthday was going to be at the Byer's because Hopper and Joyce got together and now they live at the Byers ,

" Hey El happy birthday !" Max said hugging El

Everybody else walked in and said the same thing ,

" alright everybody so first we are going to do cake! Then we are going to do presents !" Joyce said to make everybody be quiet (**aka shut up**)

Everybody got around the table as the boys and Nancy got around El to see her blow out the candles

" Happy borthday to you happy birthday to you happy birthday dear Eleven happy birthday to you !"

Everybody sang as Mike told El " make a wish !" Mike whisperd to her

El blew out the candles then , Hopper took some cake and put it on her face

Sadly he forgot El had telekinetic powers

Her nose started bleeding and she brought up a knife , cut Hopper a slice of cake , handed it to him , then she put her head down quickly and jerked its back up throwing the cake in hoppers face

" you got the first slice of cake !" El said with a big smile

" and I forgot you were a telekinetic " Hopper said wiping cake off his face

" ok while Hopper is wiping cake off his face let's open presents !" Joyce said taking El into the living room to open presents

" ok the first one is from Nancy !" Joyce said reading out the label

5. Lady Problems

Heyyyy ppl sorry for such a long waiting of life anyway a quick story I had an idea about because I just watched the puberty video a few weeks ago in school so ya

decides to do this !

Eleven had never had the talk, she didn't know what a period or what puberty was , she was oblivious, until one day.

The party had decided to go to Arcade one day, eleven was excited because it was their first time out as a whole group without the demogorgon and the government or a monster from another dimension chasing them.

Halfway through Dustin playing Dragons Layer Eleven felt a tingly sensation in an area Joyce taught her about she had said.

"Ok if you ever feel weird here in this area tell Max, no boys ok because they don't understand if you ever see red or feel wet don't scream or be scared just tell Max to call Nancy or me ok"

El rememberd that so she didn't freak out she quietly walked over to Max and tapped her in the shoulder, "Max?" El asked in a whisper "hmm?" Max asked turning around El hides her with a hand telling her to come.

El explained her whole situation but didn't call Nancy or Joyce , she went to the boys and explained El's situation to them.

"Uh what should we do !?" Mike asked

"Go to the pharmacy and but some pads" max replied arms crossed

"Why me?" Dustin asked

"Because el wants her boyfriend so go" Max replied dryly

Mike walked next to El, "el ?"

He asked

" you ok ?"

" yes"

Mike sat beside her as she pulled him closer she grabbed his hand and took him outside

She sat down on the cement around the arcade she looked at him as he sat down and he asked

" so, what happens there" Mike asked awkwardly

El just looked at him

" I'm sorry did I say something ? Of course I said something you know I'm really sorry you don't have to answer me his sis a lady problem I'm so so so stupid ok now I'm rambling why so I always ramble ? Ugh I'm sor-"

El leaned her mouth against his giving him a sweet kiss not passionate and hot or too soft just right .

" I'm fine " she said

Max came back and handed El the pads and El gave Mike a quick kiss as she headed inside to put on the pad .

Im sorry

For having such short story's but ya anyway I added some fluff cause I felt like it so ya

6. Wheeler Dinner

Im bored

It was a normal Friday at the Wheelers, Mike was in the basement planning the next DD campaign and Karen was making dinner for the family.

"Dinners ready!" Karen yelled through the house as she set up the table.

As Mike came up the stairs and took his normal spot at the table Nancy followed down the stairs.

Holy came rushing behind Nancy and Ted
walked slowly to the table.

In the middle of dinner Karen started conversation.

"So Micheal, I hear you and the chief have been spending time together to help your behavior." Karen said eyeing her son.

"So?" Mike asked confused and annoyed.

"He also tells me that he has a daughter your *very* close with." Karen said a smirk on her face.

Mike turned bright pink and looked down at his plate.

"*cough* Mikes girlfriend *cough*" Nancy said covering her mouth slightly, Holly laughed at this.

"Nancy!" Mike said as he turned red as a tomato.

"Mikey has a girlfriend!" Holly repeated as she giggled pointing to Mike.

" Micheal does the chiefs daughter have a name?" Ted asked.

" her name is Jane her middle name is Eleanor so we call her El for

short" he said quietly.

"Ever kissed her?" Nancy asked smirking.

"What!?" Mike asked

"I'll take that as a yes!" Nancy said amused.

"Ok then it's settled I'm inviting Micheals girlfriend over for dinner!"
Karen said smiling.

Mike was not ready for this.

Ok bye
